Use visually strong compositions in your next floor design with contemporary and distinct patterns. Go for methodical geometry, circular hoops, linear stripes, 3-dimensional grids or expressive typography that bring a new, modern energy to

the interior. Or try simply beautiful melanges or random abstracts. The Graphic collection covers many different styles, from bold, characteristic and dramatic to organic, fluid and distorted providing us with a powerful and inspiring design language.

Our design team assists recolouring your selected designs

ALL THE DESIGNS CAN BE RECOLOURED TO MEET YOUR PREFERENCES AND REQUIREMENTS

Our in-house team of experienced designers has carefully selected patterns and colours to provide you with lots of options, ideas and inspiration for your next carpet project.

Thanks to our advanced production technology, it is easy and quick to recolour a standard design at no extra charge. Pick any design and select your colours from one of our standard colour palettes. Our design team is always on hand to assist and visualise the design in your colour selection. Learn more about how to recolour from page 114.

The Graphic designs are part of the Highline Express collections offering hundreds of standard designs. These can be recoloured and produced in one of nine different qualities to match your budget and demands for wear-resistance, acoustics, comfort, insulation and fire resistance.

Choose among a variety of carpet qualities to enhance the style and ambience of your design project

WE CAN HELP YOU FIND THE CARPET TO MATCH YOUR TASTE, SPECIFICATIONS AND PRACTICAL NEEDS

With the Highline Express collections we offer you a wide variety of standard designs in different cut or loop piles. You even have the option of recolouring the designs to make them match the rest of your interior. If you are not looking for patterned carpets, we also offer flat woven, shag or tufted constructions in a wide palette of solid colours as well as multi-level loop structures.

At ege, you will find many functional qualities, aesthetic colours, beautiful patterns and cool design collections available as broadloom and tiles. You can set new standards in floor design by combining different collections into distinctive design solutions that will fit practical needs, tastes and any kind of budget.

Create the perfect balance in your interior with the power of colours and an interesting mix of soft and hard materials. Use the carpet as one of your key building stones in creating the atmosphere you have in mind not only in terms of design and colour, but also in terms of texture and feel. You can also choose different carpets for different rooms and areas or use creative combinations to move or guide people.

Check out the collections at egecarpets.com and find the carpet that fits your next floor design.
