Surveyor

The Certificate is subject to terms and conditions overleaf. Any significant changes in design or construction of the product, or amendments to the Directive or Standards referenced above may render this Certificate invalid. The product liability rests with the manufacturer or his representative in accordance with Council Directive 96/98/EC, as amended. The Mark of Conformity may only be affixed to the product and a Declaration of Conformity may only be issued when the production/product assessment module referred to in the council directive, is fully complied with.

Certificate No.: MED-B-6897
Item No.: A1/3.18c
Job Id.: 344.1-000443-8

Product description

"Highline 80/20 1100 AB", "Highline 80/20 1400 AB" and "Highline 80/20 1600 AB"

carpet composed of 80% wool and 20% polyamide on an Acoustic backing composed of 65% polyester and 35% polyamide.

	Total carpet weight	Total thickness	Surface pile thickness
"Highline 80/20 1100 AB"	3250 g/m ²	10,6 mm	4,9 mm
"Highline 80/20 1400 AB"	3255 g/m ²	12,1 mm	6,3 mm
"Highline 80/20 1600 AB"	3300 g/m ²	11,9 mm	7,0 mm

Applications/Limitations

Approved for use as low flame spread surface material, not generating excessive quantities of smoke nor toxic products in fire
Approved for use as floor covering on non-combustible substrate.

Any adhesive used, other than the one used during testing, has to be tested for low flame spread characteristics according to IMO FTP Code Part 5 and to be MED certified.

Each product is to be supplied with its manual for installation and maintenance.

Type Examination documentation

Test reports No.102010.60/01.141 A and 102010.60/01.141 B both dated 11 May 2001, 102010.70/01.115 A and 102010.70/01.115 B both dated 26 April 2001, 102010.70/01.311 dated 01 November 2001 and 102010.60/01.328 dated 22 November 2001 all from Sintef (Norwegian Fire Research Laboratory), Trondheim, Norway.

Tested according to IMO FTPC Part 2 & 5.

Marking of product

The product is to be marked with name of manufacturer, type designation, fire technical rating, the MED Mark of Conformity and USCG approval number if applicable (see below).

Mark of Conformity

The manufacturer is allowed to affix the Mark of Conformity according to Article 11 in the Council Directive 96/98/EC on Marine Equipment and shall issue a Declaration of Conformity, only when the module D or E or F of Annex B in the same directive is fully complied with.

Module D: The quality system for production and testing shall be approved by the Notified Body.

Module E: The quality system for inspection and testing shall be approved by the Notified Body.

Module F: Compliance of the products to type as described in this EC Type-Examination Certificate must be verified by the Notified Body who also shall issue a Certificate of Conformity.

USCG Approval

An U.S. Coast Guard approval number will be assigned to the equipment when the production module has been completed and will appear on the production module certificate (module D, E or F), as allowed by the "Agreement between the United States of America and the EEA EFTA states on the mutual recognition of certificates of conformity for marine equipment" signed 17 October 2005.
